

ST MARGARET'S CHURCH MAGAZINE

Hello to all – and a very Happy New Year – belated as it is!

I want to start by thanking all those who contributed to the last magazine before Christmas. This was received extremely well and I had many comments on how much it was enjoyed – so thank you for that.

The next magazine is due out just before Easter. Good Friday is on 2nd April so I really would like to get started as quickly as possible. Should you have something now then just send it in – do not hold on to it until the final date for contributions. This would be a huge help – please! However the last possible date to receive articles is 15th March, 2021. Some thoughts to help you along:

- ALL those who contributed last time – PLEASE do so this time.
- Update reports from the youth groups – let's hear about the ingenious ways you have kept in touch with your groups
- Updated reports from any organisation within the church or ideas that you have picked up from elsewhere that perhaps we can use.
- What have you been doing during the lockdown to keep yourselves amused, active, keeping in touch, painting the house(again!) exercising, games you have played over the internet or in the house.
- What did you do at Christmas to make it as good as you could – let's hear all the positives that kept Christmas alive in your home.
- Anybody receive a puppy or a kitten (or even chickens) and just loving them – what toys have you bought for them?
- What plans are you making for holidays this year – where would you like to go – let's say that come summer some of the restrictions that are on just now will be done away with. Paint us all a great word picture.
- How did you keep the kids, grandkids or even great grandkids amused and interested – did they produce pictures that you could send in or make fancy decorations, did you teach them new games like chess, dominoes, card games.
- Lots of amusing articles that you have come across – let's cheer each other up – we had some real crackers last time.
- Poems, readings, why a certain hymn means so much to you

Got the picture?? Anything and everything that will interest people, amuse them and importantly make them smile!
